Tahoe Regional Planning Agency has a remaining balance in American Recovery and Reinvestment (ARRA) funds of \$624,000 for highway improvements. Working with the local agency and Caltrans, it was determined that the Pioneer Overlay Project is the most suitable project for the ARRA funds.

The remaining balance of the American Recovery and Reinvestment Act funds of \$624,000 are being allocated to:

#### **Pioneer Overlay Project (New Project)**

1. Add ARRA RSTP funds of \$558,000 to FY 09/10
2. Add ARRA TE funds of \$66,000 to FY 09/10
