Dear Mr. Taylor:

Please accept for your review and approval Administrative Modification #8 to the Tahoe Metropolitan Planning Organizations (TMPO) 2008 Federal Transportation Improvement Program (FTIP). TMPO is requesting changes for the attached project listing using delegated authority by the TMPO Executive Director to process administrative modifications to the FTIP. The modification falls in accordance with procedures for FTIP Administrative Modifications as approved by the Federal Highway Administration on November 17, 2008 and are within the same four year FTIP period. The proposed changes are administrative in nature and will impact neither the regions air quality conformity nor the financial constraint of the FTIP.

This amendment adds \$1,575,000 in Nevada 5311 American Recovery and Reinvestment Act (ARRA) funds to the year 2009 for FTIP's project listing "Transit Capital (Bus Replacement, Capital Assistance and Preventative Maintenance.) MPO ID:TMC0406". Please see Attachment A for summary of changes.

We request your expeditious review and approval of the enclosed amendment. Upon your approval, this amendment will be effective immediately. If you have any questions regarding this amendment please contact Scott Forsythe at (775) 589-5322.

Sincerely,

Joanne S. Marchetta
